

To Ellis Gray Loring.

Boston Mar. 2. 1839

Mr. Loring

15-

Dear Sir

I very readily assent to the proposition of your committee to refer my claims against the anti-slavery Society, "to some disinterested third party"; & Mr. Jackson Esq. will be as satisfactory to me as any other individual. At the same time I regret that in, ~~some cases~~ to me, so obvious a matter we should be unable to agree without ~~such~~ a reference. As it is however, if you, or Mr. F. Jackson, will see Mr. Wm. Jackson, & fix on some time & place, & give me information of the same, I will endeavor to be present. I am engaged out of town

on, the 6th of March.

Yours truly

A. A. Phelps.
